Thu, 10 Jan 2019 22:58:00 GMT Digital life after death | STEP - Life after death can be identified with the ancient notion that the human mind is not purely a manifestation of material forces in the brain but has a separate, immaterial component called the soul that survives the death of the brain along with the rest of the body. This is a hypothesis that can be scientifically tested. Evidence for its validity could be provided by a verifiable glimpse of a ... Tue, 15 Jan 2019 00:41:00 GMT Life After Death - The Warfare Is Mental - Death is the one thing in life we can be sure about and that is why religions have beliefs about what it means! Everything else 'might' happen to us: we might get married, be rich, be happy, have children, open our own business or travel the world, but the only real certainty is that we will die.
